TILES & BATHROOMS

Company
Profile

Over 50 Years of Industry Experience

Ceramic City has been sourcing and retailing Ceramic & Porcelain tiles for our customers including Contractors, Architects and Designers since 1968.

We continue to offer a vast range of commercial and residential wall and floor tiles, in any size, style or specification. We are continuously adding additional lines to match our client's needs.

Whatever your choice – from simple to stunning -from traditional to contemporary, we offer designs and specifications that will enhance any commercial or living space. We are one of Ireland's largest importers of Porcelain Wall and Floor tiles

Our Vision

Perfection is something that many companies aspire to, but rarely deliver. At Ceramic City, we believe that excellence is something we must continually strive to achieve.

Our Clients

Ceramic City successfully delivers to more than 80 Retail Shops Nationally, We believe our Clients are also our partners, we engage early. First, we help our Clients so that in turn our Client can help us. We believe in being proactive not reactive. Through this philosophy trust is built, relationships are strengthened and mutually beneficial results are achieved.

Supply Chain

Our supply chain and who we partner with is an integral part of what we offer our Clients. To us it's imperative that we only partner with best-in-class sustainable suppliers with world class sustainable products, this is inherent in our DNA.

A sustainable supply chain also helps improve productivity while saving money at the same time. By using sustainable techniques and resources, you increase efficiency and reduce cost.

We trust all our suppliers so when we say we deliver, our client knows we will deliver a quality and sustainable product plus a reliable before and after sales service. This can only be delivered to our Clients when we partner with the very best.
